Please Note: We are pleased to provide child care during the times specified on the program schedule for children ages 3 to 10 years. Due to space limitations and regulations, we are able to accept only those children who are **toilet trained and at least 3 years old**. In addition, because space is limited and because of requirements regarding the number of childcare providers, **we must require pre-registration for child care** through this form.

We cannot guarantee childcare for your child unless you return this form to us by June 17, 2019. Additional forms will be emailed to you and must be completed and emailed back to us by June 24, 2019.

Thank you for your cooperation and understanding. This method helps us provide a quality program for your children. For questions not addressed here, contact Abeer Saad at (704) 941-4308.
