Due to space limitations and regulations, we are able to accept only those children who are **toilet trained and at least 3 years old**. In addition, because our space is limited and because of requirements regarding the number of childcare providers, **we must require pre-registration for child care** through this form. **We cannot guarantee childcare for your child unless you return this form to us by January 28, 2019. Additional forms will be emailed to you and must be completed and emailed back to us by February 8, 2019.** Thank you for your cooperation and understanding.
